**Loess Hills Alliance
Protection Committee Projects Report
FY 2015/2016**

The Loess Hills Alliance and other non-profit organizations are working in the region to balance development and permanent protection. Together, these organizations partner to restore native vegetation, protect cultural resources, educate landowners and the public and minimize human impact to significant areas. We all strive to promote the unique history and characteristics of the landscape.

The Protection Committee approved the amount of \$32,000 to be offered for grants this fiscal year. Listed here is projects funded by the *Protection Committee* of the LHA from FY 2015/2016.
